

Un tiki awa y di biaha disaster na biblioteca

ORANJESTAD (AAN) – Ta un berguensa para mira cu apenas un tiki awacero a cay, cu ya caba alarma ta worde bati, pa Biblioteca na playa, ya cu partinan di su plafon ta cayendo y e lugar tabata yenando cu awa den casi tur departamento.

E daño ta mas grandi cu nos por pensa, ya cu aki ta trata di bukinan importante pa e educacion di nos muchanan cu a muha y cu lo no sirbi mas. Aparte di esey, tin tambe e posibilidad cu dañonan mas grandi por worde spera, dependiendo si awacero sigui cay.

Den algun oficina, por a observa cu te asta caminda tin luznan colga y stopcontact, awa ta cay den nan.

Un aña pasa DIARIO a bay na e mes un lugar aki pa e mes un problema y no a pasa
